

Capture Moments Create Memories on Smartphones

Parent-Child Smartphone Photography Holiday Programme at Southeast Yunnan

Where To Go?

Southeast Yunnan — Jianshui, Puzhehei and Kunming

When To Go?

Only one departure is opened for the 2027 June school holidays.

Dates: 5 - 12 Jun 2027

Minimum to go : 10 family groups Capped at 16 family groups

Why Participate?

Enables parents and children to explore local history, folk customs and natural scenery through phone lenses, most importantly teaching children that smartphones are far more than gaming devices

Who Should Join?

Parents, Children, Grandparents, Anyone in the Family...

What To Do?

- Visits to popular attractions and hidden vistas in Kunming, Jianshui and Puzhehei.
- Practical mobile photography skills, paired with themed shooting tasks.
- Fun interactive learning activities listed in Key Highlights.

Key Highlights

Mobile Photography

- Learn to focus, frame scenes, adjust exposure and lighting to still and live objects and sceneries.
- Learn to capture candid-shots, editing and composition skills.

Tie-dye Workshop

- Learn core tie-dye techniques including fabric folding, twisting and binding.
- Explore creative colour matching and dye application.

Flower Biscuits Making

- Practise fine motor skills while mixing dough, shaping and decorating pastries.
- Learn to follow recipes, understand Yunnan food culture and respect handmade craftsmanship.

Mushrooms Picking

- Observe diverse fungi in their natural habitat, sharpening observation skills and building respect for nature.
- Identify safe species amid fresh woodland air.

Fish & Prawns Catching

- Discover fascinating aquatic wildlife
- Agility put to test when catching the fishes and prawns.
- Cultivate patience and strengthen teamwork.
